

## FUZEEX Project & Team

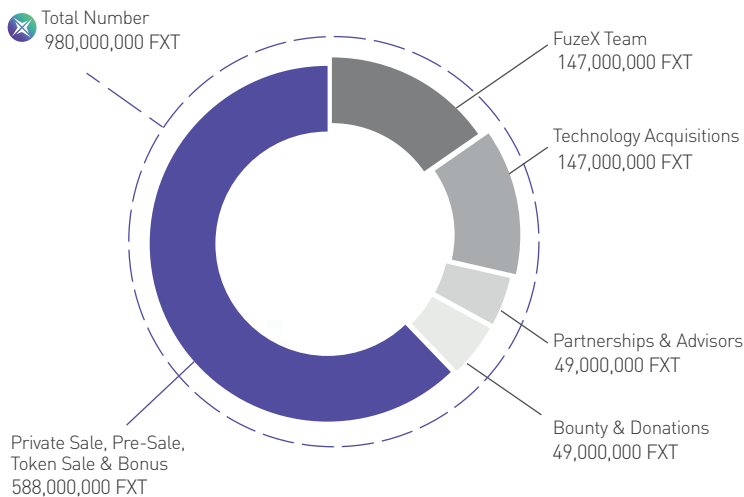

FuzeX aims to revolutionize the way you pay. We are taking what we learned from successfully developing and bringing to market 30,000+ Fuze Cards (the smart, mag strip enabled e-card that lets you embed up to 30 credit, debit, and reward cards into one convenient to use e-card), and adding cryptocurrency integration to the mix.

Our FuzeX Card, Wallet and Ecosystem allow for real-time cryptocurrency to fiat exchange which means that you can spend your cryptocurrency anytime, anywhere you like.

Our team consists of a passionate group of blockchain professionals, payment specialists and business and marketing strategists, that are determined to make cryptocurrency easier to use and easier to spend.

## FUZEEX Token Sale
